

Freight and Logistics Movement Control

Are you planning to travel into W.A. and/or through regional W.A? Strict border controls are in place to limit the spread of COVID-19. You cannot enter WA or its regions unless you have been granted an exemption to travel.

- [Information on who can enter WA and how to apply for approval can be obtained here](#)
- [Information on travelling into and around Western Australia can be found here](#)

Assess the map of Designated Biosecurity Areas contained on this form to confirm if this includes areas you intend to travel.

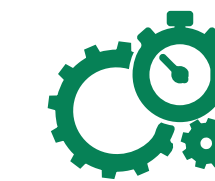

Options to apply for ENTRY into Western Australia

Travel into Biosecurity Area

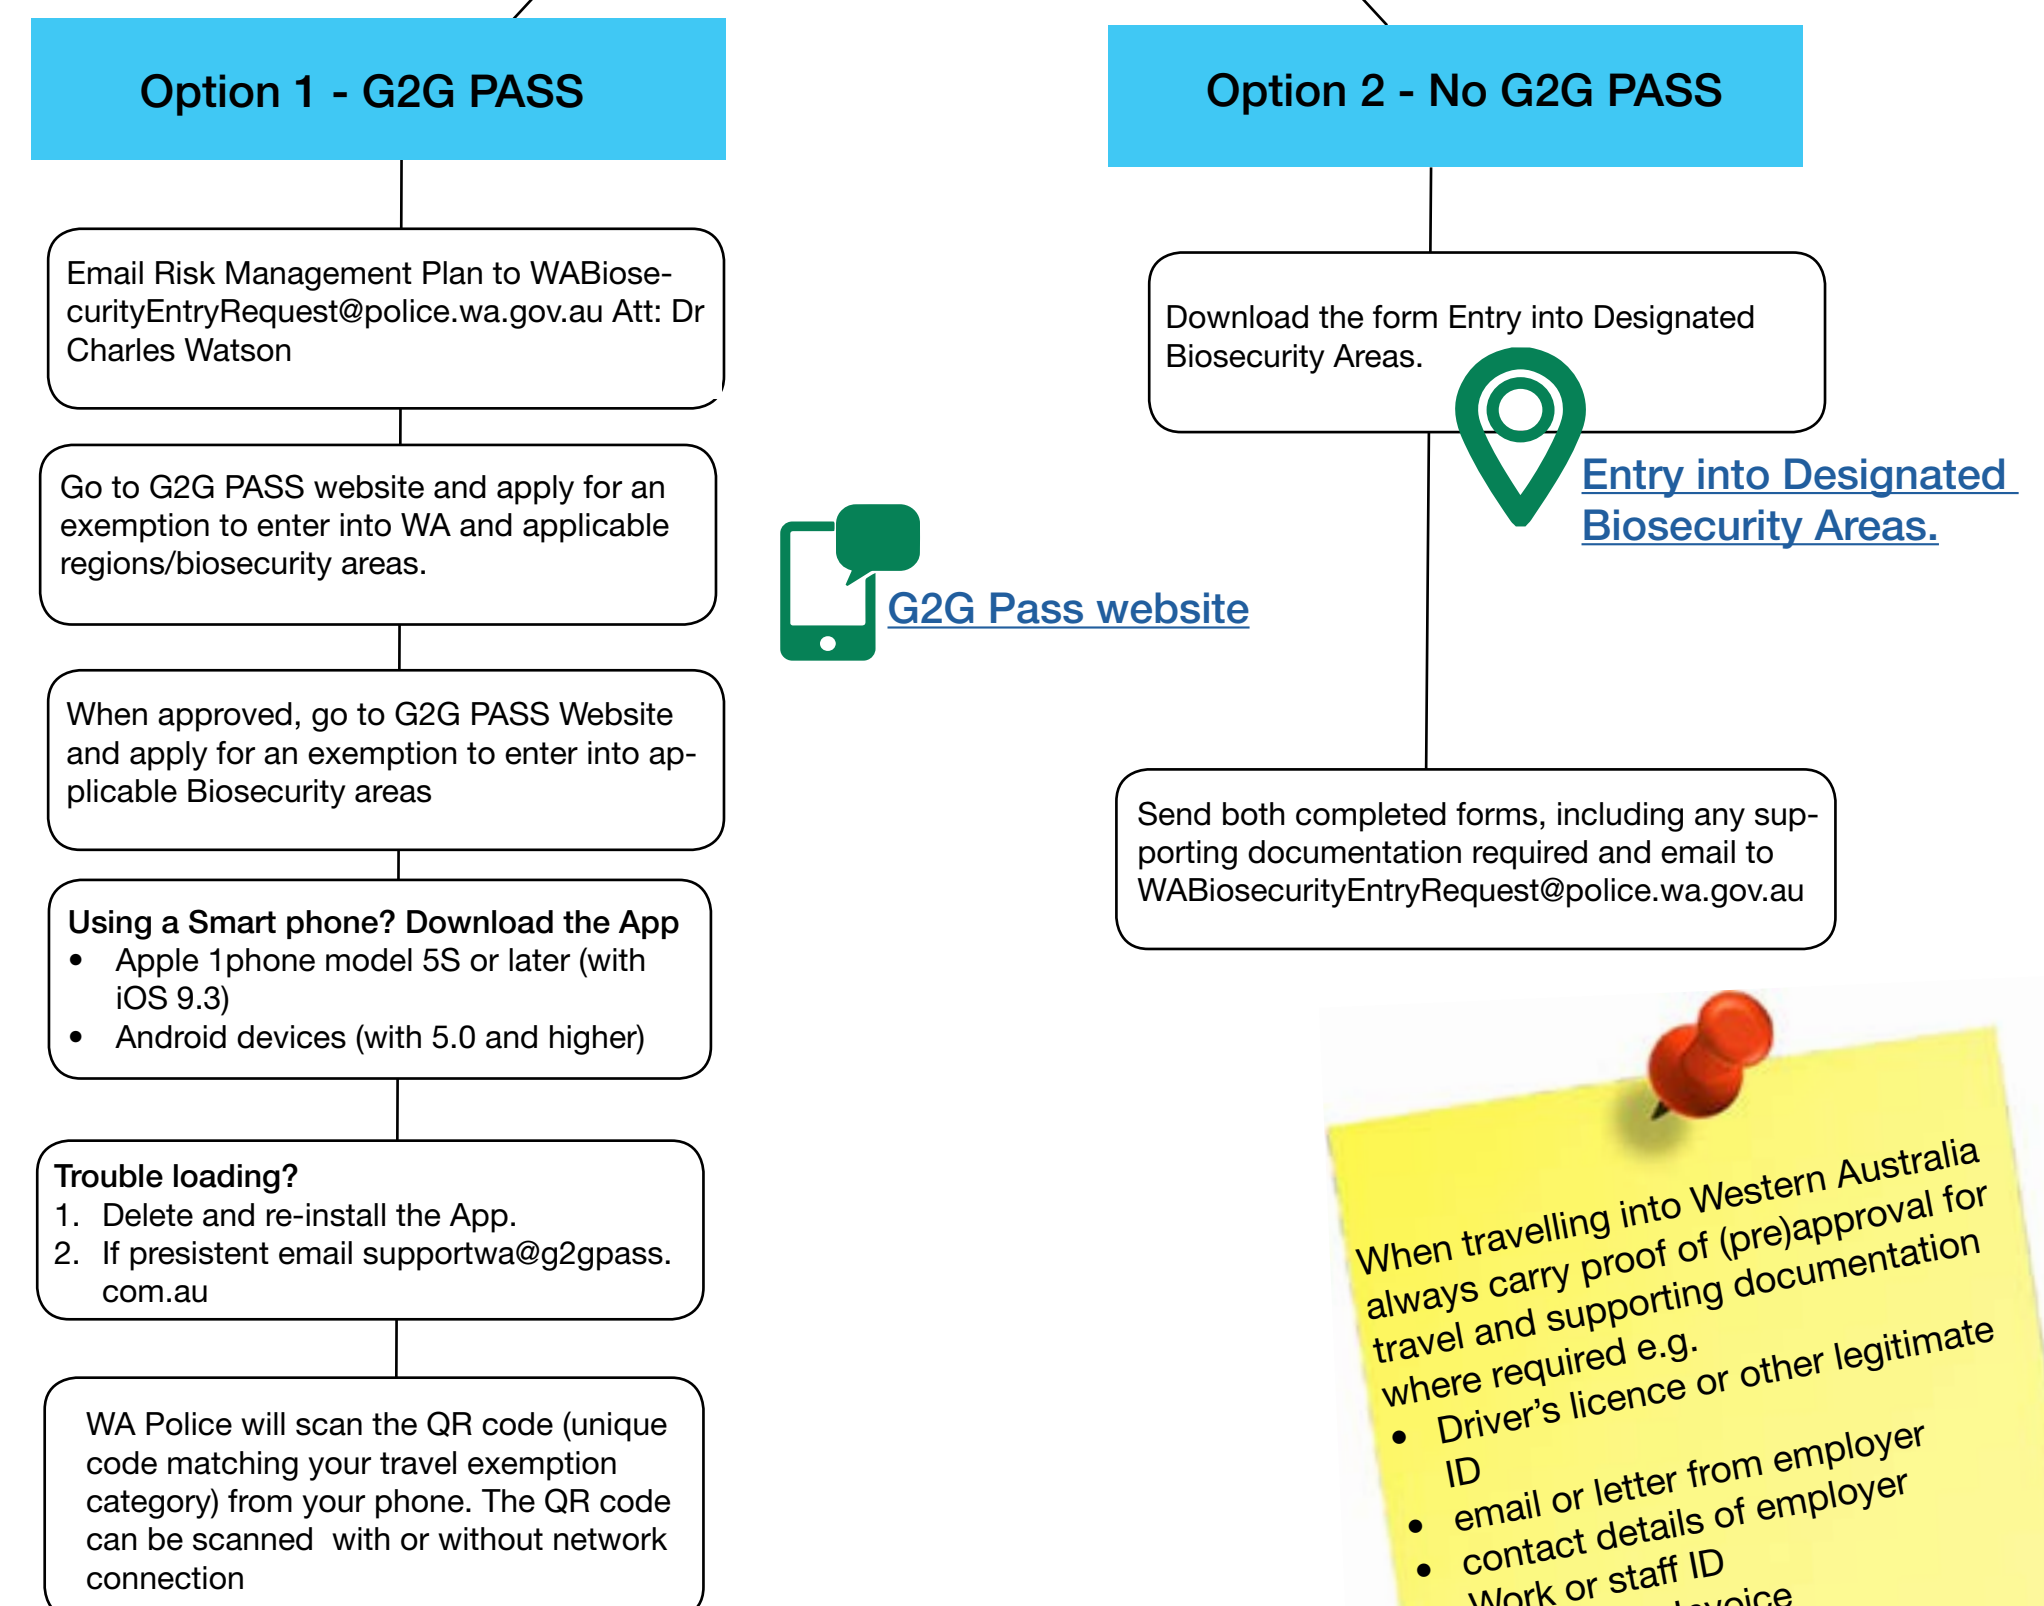

Note: you will not be granted entry to WA through a Biosecurity area (e.g. Kunnunurra) without an approved Risk Management Plan.

[Risk Management Plan](#)

Download and complete COVID-19 Risk Management Plan

When travelling into Western Australia always carry proof of (pre)approval for travel and supporting documentation where required e.g.

- Driver's licence or other legitimate ID
- email or letter from employer
- contact details of employer
- Work or staff ID
- Contract or Invoice
- Uniform

AND

Options to apply for INTRA-State travel (including Kimberley shires and Esperance)
